Rev. Michael Plaskow,
4/4 Sderot Nitza,
Netanya

Dear Michael,

You are of course aware that after 30 years of serving Young Israel I will shortly be retiring.

Thank you so much for your warm friendship and for always being available to give over your learning knowledge to the members of our Congregation.

I especially appreciate the Daf Yomi Shiur which you give every morning which has attracted so many of our members who previously would not have dreamt that they would participate in a gemera class and certainly not Daf Yomi.

Obviously it was your personality your perseverance and the love you have for Torah that attracted them to your class.

G-D should give you and Phyllis many healthy and happy years together.

It has been an honor to know you.

With very best wishes,

Yours sincerely

Rabbi Natan Morowitz
