Meeting ID: 851 2234 3181

My name is Myra Blond, a retired pharmacist and have been a member of the WPS community since 1965.

After graduating with a B Pharm Hons degree, I undertook my 1 year pre-registration training with Boots the Chemist and then worked for them in a locum capacity for a while.

During the Covid lockdown, I thought it might be interesting to research the history of the company. I enjoyed the process enormously and I hope you will find it interesting too.

NEXT MEETING : 3.30pm Tuesday 12th December

'Tips and Hints on How to Tweak your Family Tree'  
with guest speaker Louise Mason
